

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

A CORRECTION

Dr. W. B. Cannon calls attention to the two following typographical errors in his article which appeared in the April *Journal*:

Page 272, line 3, read "orgasm" instead of "organism."

Page 277, line 10 of paragraph 2, read "almost without," instead of "almost with." [Ed.]
